### Child Protection and Creating Safe Environments

**Know the Warning Signs of a Predator:**  
 Those who abuse children look like everyone else. They don't look like scary people that we should know to avoid. Rather, most abusers are known to the child, such as the parent, sibling, parent's paramour, parent's spouse, other relative or babysitter. One of the most important ways to ensure the safety of children in our environments is to know the warning signs of adults who present a risk of harm to children. Among these signs are when the person (1) always wants to be alone with children in areas where no one can monitor the interactions, (2) allows children to do things their parents would not permit, (3) is always more excited to be with children than with adults, and (4) discourages others from participating in activities involving kids. ## 14TH SUNDAY in ORDINARY TIME

Gospel: Mark 6:1-6

Where does a prophet have honor? Where is a prophet heard? Not among kin or in

familiar surroundings; not among those who lack faith. Herein lies the paradox: to have faith, we must be familiar with Jesus. The very stumbling block for the people in the Gospel is the necessary stepping-stone to hear Jesus' word and accept him.

Faith-filled familiarity frees us to see ourselves as we are (those in need of Jesus) and to see Jesus as he truly is, a prophet with power to save.

The U.S. bishops overwhelmingly voted June 14th to approve a pastoral framework for Indigenous Catholic ministry, which also included an apology for the church's failures over the course of its history in North America "to nurture, strengthen, honor, recognize and appreciate those entrusted to our pastoral care."

**Next weekend**  
**July 13-14, 2024**  
*Missionary Cooperative*  
weekend at  
**St. Mark/St. James.**  
We will have a visiting priest  
from the  
*Diocese of Cuddapah of India*

Dear Parishioners,  
Greetings of peace and joy in the Lord. My name is Bishop Gali Bali, and I serve as the Apostolic Administrator of the Diocese of Cuddapah. I am writing to express my deep gratitude to you and your Pastor for inviting a missionary from our Diocese to make an appeal in your parish for our needs in Cuddapah, India. Established in 1977, our diocese covers two civil districts in the state of Andhra Pradesh. With a Catholic population of 85,000 amidst a total population of 8 million, our diocese comprises 68 parishes and 147 priests, each serving 5 to 15 mission stations. Our diocese is deeply committed to evangelization and education, focusing on faith formation for our Catholic community. I am profoundly grateful for your support of our mission and ask for your continued generosity. I trust you will find inspiration in the mission experiences shared by the visiting missionary during this appeal. Please be assured of my prayers and blessings for your community.

With kind regards and blessings,

*Most Rev. Dr. Gali Bali,*  
Apostolic Administrator of Cuddapah  
Diocese

A special thank you to  
**THE BRUNO CARNOVALE ESTATE!**  
This estate donated funds to help pay for the new LED lights that were recently added in O'Connell Hall and for the future LED lights that will be added to the Faith Formation building. Your generosity to our church is very much appreciated!

### A Family Perspective

Today's gospel is so familiar, it hurts! The home town folks couldn't accept the presence of God in Jesus. After all, they had watched him grow up. We can easily make the same mistake if we don't see God present in the ordinary members of our family. "The Lord be with you" is a statement of fact. Believe it.
